Hon. Paul G. Gardephe  
United States District Judge  
Foley Square  
New York, New York 10007

**Re: United States v. Borker, 17 CR 391 (PGG)**

Dear Judge Gardephe:

On October 19<sup>th</sup> I filed a motion for return of property seized from Defendant under search warrant. On October 31<sup>st</sup>, the Government returned to Defendant numerous items seized during the search. Given the return of these items, Defendant withdraws his motion. However, because Defendant has not had an opportunity to personally inspect the items returned, and to match the inventory of items returned with the actual items returned, as he remains in custody, he reserves the right to re-file the motion after he does such an inspection.

Respectfully submitted,
